THE FIRST-YEAR LAW STUDENTS' EXAMINATION is administered in the Los Angeles and San Francisco areas in June and October. The examination includes both essay and multiple-choice questions. All law students who have completed one year of law study are eligible to apply for the First-Year Law Students' Examination.

The First-Year Law Students' Examination is administered in one day. The morning session is a maximum of four hours in duration, and the afternoon session is a maximum of three hours. Four (4) essay questions are given during the morning session and 100 multiple-choice questions during the afternoon session. There is a lunch break between sessions.

PERSONS REQUIRED TO TAKE THE FIRST-YEAR LAW STUDENTS' EXAMINATION

Rule VIII, Section 1(b) of the *Rules Regulating Admission to Practice Law in California (Rules)* states:

"An applicant who is required to take the First-Year Law Students' Examination shall not receive credit for any law study until the applicant has passed the examination. An applicant who passes the examination within three consecutive administrations of first becoming eligible to take the examination upon completion of one year of law study, shall receive credit for all law study completed to the date of the administration of the examination passed. An applicant who does not pass the examination within three consecutive administrations of first becoming eligible to take the examination but who subsequently passes the examination shall receive credit for his or her first year of law study only."

EXEMPTION FROM THE FIRST-YEAR LAW STUDENTS' EXAMINATION

Rule VIII, Section 1(a) of the *Rules* states:

"Every person who intends to seek admission as a general applicant shall take the First-Year Law Students' Examination following completion of one year of law study unless such person:

- "(1) Has passed the bar examination of a United States jurisdiction, a possession, territory, or dependency the United States may hereafter acquire or of a country where the common law of England constitutes the basis of jurisprudence; or
- "(2) Has satisfactorily completed the first year course of instruction in a law school accredited by the Committee or approved or provisionally approved by the American Bar Association at the time of the applicant's matriculation or at the time the

applicant completes the first year of instruction and had completed at least two years of college work as defined in Section 1, Rule VII of these *Rules* prior to matriculating in such accredited or approved law school.”

A general applicant shall be deemed to have satisfactorily completed the first-year course of instruction in an accredited law school when he or she is advanced to the second-year course of instruction at the same accredited law school, whether or not on probation.

EXEMPT APPLICANTS WHO DO NOT PASS THE EXAMINATION

Rule VIII, Section 1(e) of the *Rules* states, in part:

“. . . An exempt applicant who unsuccessfully takes the examination shall not be subject to any of the sanctions, requirements, or law study credit limitations which are otherwise imposed by this Rule on unsuccessful non-exempt applicants.”

EXAMINATION ADMINISTRATION RULES AND POLICIES

Failure to follow oral and written instructions while the examination is in session will result in notice to the Committee of a violation of examination rules in accordance with Rule XII, *Rules Regulating Admission to Practice Law in California (Rules)*. Conduct that results in a violation of security or disrupts the administration of the examination, which includes, but is not limited to, carrying unauthorized items into the examination room, writing or typing after time has been called, looking at another applicant's papers, talking while the examination is in session, being abusive to other applicants, staff, proctors and/or other examination personnel, could result in notice to the Committee of a violation of examination rules or, in some cases, dismissal from the examination test center. Applicants are expected at all times to maintain a professional attitude toward other applicants, staff, proctors and other examination personnel. Behavior that is disruptive will be reported to the Committee for possible consideration in connection with an applicant's moral character determination.

Items specifically not permitted, although this list is not all inclusive, into the examination test centers are: baseball caps or other hats with visors, digital watches/clocks, PDAs or other handheld computers, pagers/beepers, cell phones, cameras, weapons of any kind, knives of any kind, gum, candy, food, water or other drinks, notes and outlines, post-it notes, correction fluid, correction pens or correction tape, tobacco products including cigars, pipes, cigarettes, head phones, back packs, briefcases and purses. Unauthorized items that are confiscated will not be returned.

Only the following items are allowed into the test centers without prior approval: analog watches and clocks not measuring any larger than 4" x 4", back support, up to two pillows without cases, pens, pencils, erasers, high lighters (for use on questions only), one book stand, one foot stool, splints, inhalers, crutches, wheelchairs, casts, hearing aids, TENS units, eyeglasses, ear plugs or plastic material normally associated with the sport of swimming, medicine, feminine hygiene items and wallets.

Applicants who wish to bring items into an examination test center that are not listed above must file a request for testing accommodations using the appropriate Committee forms, which must be filed in conformance with Committee policies no later than the final filing deadline. Permission to use specific items will not be granted as a matter of convenience or preference.

TEST CENTER ENVIRONMENT

While every effort will be made to keep the temperature of the test center at an appropriate level, applicants should be prepared for either warm or cold temperatures. Additionally, efforts will be made to keep the test center quiet, but there may be forces outside the control of the Committee so that such an environment cannot be guaranteed. Applicants should come prepared to accommodate other noises, such as those made by other applicants taking the examination, equipment inside or outside the test center that may make sounds while operating, other meetings or conventions in the same facility, etc. Ear plugs are strongly recommended.

EXAMINATION TEST CENTERS

Each applicant should select the Test Center at which he/she wishes to take the examination and enter the name on the line and the code in the boxes provided on the application form. Assignment to an applicant's preferred test center cannot be guaranteed. Only those applicants with permanent disabilities who have previously been granted testing accommodations and who wish to request the exact same accommodations should select a testing accommodations test center (those with a code number starting with an "S"). Selection of a testing accommodations test center initiates the request for testing accommodations for this administration of the examination and does not guarantee assignment to that test center. All other applicants with disabilities should select from the non-testing accommodations test centers listed in the addendum. If after filing the application form, applicants are granted accommodations, in most cases, they will be assigned to a testing accommodations test center in the general area of their first choice. Notice of the test center to which they have been assigned will be

forwarded with the letter advising them of the accommodations granted/modified/denied. Applicants unsure whether their disabilities are permanent or temporary should clarify their status prior to the final filing deadline. Deadlines will not be extended in those cases where an applicant had a temporary disability and did not file a new petition by the final filing deadline.

Smoking is prohibited at test centers located in buildings that do not allow smoking in accordance with city ordinance.

TIMELY FILING/LATE FEES

For the purpose of determining the need for a late filing fee and the amount, if required, see Addendum. An application will not be deemed filed until the proper fees are paid. For an application to be considered filed on a particular date, it must have been postmarked by the filing deadline.

APPLICATION ACKNOWLEDGMENT

An application acknowledgment letter will be sent 2-4 weeks after receipt of an application. Applicants who do not receive acknowledgment letters should contact the Office of Admissions.

APPLICATION ABANDONMENT

An application that is not brought to a complete and filed status by the final eligibility deadline will be abandoned. This includes requisite fees, signature and/or the required documentation. Once the application is filed, if the applicant receives notice to provide information, but does not provide such information by the final eligibility deadline, the application will be abandoned. No refund of fees will be paid in the event an application is abandoned. Any outstanding fees will be required to be paid before the applicant is allowed to submit any future application.

RETURNED CHECKS

A charge will be assessed when checks are not negotiated and are subsequently returned. **Any late filing fee in effect at the time the check is covered will also be required. Stopping payment on a check, dishonoring a check or disputing a credit card charge does not constitute withdrawing from an examination. Applicants who do so will be required to return the fees and pay any additional fees required with a money order or cashier's check prior to being allowed to take any future examination.** All required fees must be paid by the final eligibility deadline or the application will be abandoned and no refund of fees will be paid.

REGISTRATION AS A LAW STUDENT

Any person submitting an Application to take the First-Year Law Students' Examination must have registered as a law student with the Committee of Bar Examiners (Committee) prior to submitting the application in compliance with Section 6060 of the Business and Professions Code and Rule V of the *Rules*. An application for the First-Year Law Students' Examination will be considered incomplete if the applicant has not previously registered. If an applicant has not done so, a separate "**Registration**" form must be completed and filed with the appropriate registration fee and late fee. Registration online is available through the Admissions page of the State Bar's Web Site at www.calbar.ca.gov. The registration may be filed simultaneously with the application to take the First-Year Law Students' Examination.

REPEATERS

A new application must be completed and filed with the appropriate fees for each examination.

COMPLETION OF APPLICATION

Before filing the application, the applicant should make sure that he/she previously registered with the Committee, should check to confirm that all questions have been answered, the application is signed and the correct fees are included. Any application not meeting these requirements is considered incomplete, will not be considered filed and will not be processed until it is brought to a complete status. If an application is considered incomplete a completion fee of \$20.00 will be required, in addition to any late fees applicable at the time the application is brought to a complete and filed status. Applications that are not brought to a complete and filed status within 60 days of receipt, or the final eligibility deadline will be abandoned. No refund of fees will be paid in the event an application is abandoned.

Applicants should retain a copy of their completed application for reference in the event that another application must be filed in the future.

PROOF OF LAW STUDY

Following the filing of the application to take the First-Year Law Students' Examination, certification forms will be mailed to the applicant's law school for completion. The school must certify the applicant's completion of one year of law study in compliance with the *Rules Regulating Admission to Practice Law in California*. The required certification must be provided by the final eligibility deadline. If the law school fails to provide such certification, the applicant will be notified 10 business days prior to the deadline. If proof of law study is not provided by the final eligibility deadline, the application will be abandoned and no refund of fees will be paid.

Note: Foreign educated applicants should contact the Office of Admissions regarding eligibility before filing an application.

FOREIGN EDUCATED APPLICANTS

An applicant who has received his/her legal education outside the United States and whose evaluation for determination of eligibility to take the California Bar Examination required passing the First-Year Law Students' Examination will receive credit as is determined by the State Bar's Office of Admissions.

THOSE DEEMED TO BE INELIGIBLE

Applicants for an examination who are subsequently found not to have completed the requisite legal education will be deemed ineligible. Such applicants are entitled to a 60% refund of all fees paid in connection with the examination. **No refund will be processed unless academic deficiency is substantiated by certified law school transcripts, and such transcripts indicating all law study completed must be received by the Office of Admissions no later than the final eligibility deadline. (See addendum)**

WITHDRAWALS/ABSENCES/INELIGIBLES

In order to withdraw from the examination, the Withdrawal Form at the end of these instructions should be used, or a letter may be sent to the Los Angeles Office of Admissions. Withdrawal requests received after the final deadline (see Addendum) will not be processed. An applicant who withdraws from the examination or is absent, or is deemed ineligible, is subject to the same filing deadlines as applicants who did not take the previous examination and must file a new application.

Request for reinstatement of an application will be honored only if accompanied by all appropriate fees including the current late filing fee in effect at the time of reinstatement. No request for reinstatement will be honored after the final filing deadline for the examination being administered.

WITHDRAWAL REFUND POLICY

Deadlines for withdrawal refunds are specified in the Addendum. Requests for refunds beyond the dates specified will not be considered.

The transfer of fees from one examination to another is prohibited.

1. Withdrawal of applications and requests for refunds received within 30 days after the deadline for timely filing, will be honored with a 60% refund of all fees paid in conjunction with the subject examination.
2. Withdrawal of applications and requests for refunds received within 45 days after the deadline for timely filing, will be honored with a 30% refund of all fees paid in conjunction with the subject examination.
3. Requests for refunds filed in excess of 45 days after the deadline for timely filing, will not be considered.

Refunds requested due to hospitalization, death, or call to active duty will be considered in accordance with the Committee's policy. A copy of the policy is available online at www.calbar.ca.gov or upon request.

CHANGE OF ADDRESS

To change an address, the request must be in writing and an applicant must establish proof of his or her identity by providing a photocopy of one of the following documents: driver's license or other identity document maintained by the Department of Motor Vehicles, passport, marriage certificate, copy of court order, adoption certificate, and military identification card. Address changes received after September 15, 2004 most likely will not be reflected on the admittance card.

CHANGE - WRITING/TYPING

All request to change from writing to typing the examination must be in writing, must be received on or before **the date specified in the Addendum** and must be accompanied by the applicable non-refundable fee.

THE USE OF LAPTOP COMPUTERS

Applicants wishing to use a laptop computer **must apply online using the electronic application**, select a laptop computer test center and pay the additional non-refundable fee. This includes applicants with disabilities who elect to use a computer. Applicants must furnish their own laptop computers.

TYPEWRITERS AND WORD PROCESSORS

Applicants who wish to type the examination must select a typing test center and pay the additional non-refundable fee. In addition to standard typewriters, certain word processing typewriters and word processors also may be used. Applicants must furnish their own typewriters or word processors. Please refer to the **Addendum** and special bulletin regarding the use of typewriters and word processors during the First-Year Law Students' Examination.

CRUCIAL INFORMATION FOR USE OF TYPEWRITERS AND WORD PROCESSORS

Applicants who wish to use electric typewriters or word processors will be permitted to do so with the understanding that **the Committee does not assume responsibility for any power failure or for machine malfunction. Applicants using electric typewriters or word processors must be prepared to continue the examination by writing in the event of any power failure, whether the failure is widespread or limited.** Applicants using word processors should save their work product frequently. If the power fails during an examination session, it may not be restored during that session, and if an applicant loses power to his/her typewriter or word processor, the applicant must finish the examination session by writing and must not create a disturbance by attempting to either persuade the proctors to have repairs made or to make his/her own repairs.

The Committee does not accept any responsibility for the loss or damage of personal property, including typewriters or word processors.

TESTING ACCOMMODATIONS FOR APPLICANTS WITH DISABILITIES

Applicants with disabilities are encouraged to make arrangements for testing accommodations well in advance of an examination and should file a petition no later than at the time an application to take an examination is filed. Initial processing of a petition generally takes a minimum of 30 days and processing of petitions requiring review by outside consultants retained by the Committee or those requiring additional documentation will, in most cases, take longer. In order to ensure that processing is completed timely and that applicants are able to avail themselves of all administrative remedies, early filing is strongly encouraged.

Testing accommodations are available to individuals with mental or physical disabilities as defined under Rule XVII of the *Rules*. Depending on the nature of the disability, accommodations may include assistants (i.e. readers, helpers, etc.), wheelchair access, permission to dictate, customized timing, separate testing room, customized examination materials (i.e. braille, large print, etc.), and permission to bring and use specific items or medical aids. The applicant and his/her physician/specialist should request what they think is necessary to allow the applicant to compete on an equal basis with all other applicants, and provide adequate rationale to support their requests.

The following documentation on the Committee's forms is required to process a request:

Form A: Petition stating specific arrangements requested;

Form B, C, D, and/or E: Medical certification/doctor's statement or appropriate specialist's statement; and,

Form F: Law school statement explaining any accommodations provided to the applicant during law school.

The Committee's policies, procedures and forms to file a petition for testing accommodations are available upon request or they can be accessed through the Admissions portion of the State Bar's web page at www.calbar.ca.gov.

Applicants with permanent disabilities who have previously been granted testing accommodations and who wish to request the exact same accommodations should select a testing accommodations test center (those with a code number starting with an "S").

Petitions without the required documentation will not be considered complete until all necessary documentation is received, which must be no later than the final filing deadline. Original forms, not copies, must be filed. Subsequent requests for testing accommodations and new petitions for testing accommodations received after the final filing deadline will not be processed for the October 2004 administration of the First-Year Law Students' Examination.

ALL first-time petitions, requests for expanded accommodations and petitions filed by applicants with temporary disabilities must be filed separately from the application for the examination and must be on the Committee's forms. See Addendum for deadlines. DEADLINES WILL NOT BE EXTENDED. Petitions should be sent to the San Francisco Office of Admissions. Applicants with disabilities requesting to use a typewriter or computer, must pay the applicable fee. If, however, their disability directly relates to use of such equipment, they may file for a refund of the fee paid by filing such request with the Testing Accommodation department in San Francisco. The request for a refund must be accompanied by the appropriate documentation from their specialists, that supports their request.

PICTURE ID REQUIRED

During the morning session of the examination, applicants will be asked to show a photograph **ID** card (Driver's License, California Identification Card, Passport or photograph employment badge) for the purpose of verification of identity. **Applicants must carry this photograph identification card at all times during the examination. Applicants who fail to provide such identification prior to the start of the afternoon session will not be allowed to continue the examination and their examination papers will not be graded.**

ADMITTANCE CARDS

Admittance cards are mailed to eligible applicants beginning four to six weeks prior to the administration of the examination. Any applicant not receiving an admittance card **two weeks prior to the examination** and who has not otherwise been notified of being ineligible, must contact the Office of Admissions to secure a duplicate ticket.

EXAMINATION ATTENDANCE POLICY

If you do not attend a required, scheduled examination session, you will not be permitted to attend any remaining examination sessions(s). For instance, if you miss the morning session of the examination, you will not be allowed to take the afternoon session.

GRADING OF THE EXAMINATION

All examination answers submitted will be graded. This includes the answers of applicants who may get ill during the examination and do not complete the examination in its entirety.

The passing score for the First-Year Law Students' Examination is a total scaled score of 560 or higher.

An applicant's multiple-choice score will be the number of items answered correctly. Multiple-choice raw scores will be converted to a 400-point scale. This process adjusts for the possible differences between administrations of the examination in the average difficulty of their multiple-choice items. As a result, an applicant's multiple-choice score will not be affected by the difficulty of the particular version of the examination that the applicant takes.

An applicant's raw score on an essay question can range between 40 and 100. Total raw essay scores can therefore range between 160 and 400 points. Total raw essay scores will be converted to the same 400-point scale of measurement as that used for multiple-choice portion. This is done to adjust for the possible differences between administrations of the examination in the average difficulty of their essay questions and for variations in grader standards. Consequently, an applicant's adjusted essay score on the 400-point scale will not be affected by possible differences between administrations in the difficulty of the essay questions or by fluctuations in grader standards.

An applicant's total score on the examination is the sum of that applicant's converted scores on the multiple-choice and essay sections. This step gives these sections equal weight in determining the total score. Applicants need a total scaled score of 560 or higher to pass the examination.

SUBJECTS TESTED ON THE EXAMINATION

The subjects covered in this examination are: Contracts, Criminal Law, and Torts. An answer based upon legal theories and principles of general applicability is sufficient; detailed knowledge of California law is not required. All of Article 1 and all of

Article 2 of the Uniform Commercial Code should be used where pertinent.

FIRST-YEAR LAW STUDENTS' EXAMINATION STUDY AIDS

Materials that might be of assistance to applicants in determining what the Committee desires in an answer to a First-Year Law Students' Examination question are available in the form of Essay Questions and Selected Answer booklets. See **Addendum** for additional information regarding current booklets available and costs.

RULES REGULATING ADMISSION TO PRACTICE LAW IN CALIFORNIA (RULES)

The Application to Take the First-Year Law Students' Examination will be processed in accordance with the *Rules*. The current *Rules* are available through the Admission/Bar Exam pages of the State Bar's Website at www.calbar.ca.gov.

**INSTRUCTIONS REGARDING USE OF TYPEWRITERS AND
WORD PROCESSORS DURING
THE FIRST-YEAR LAW STUDENTS' EXAMINATION**

Manual typewriters, standard electronic typewriters, word processing typewriters, **portable** personal word processors, and desktop publishers may be used to take the First-Year Law Students' Examination. All machines must have the capability to print examination answers. Answers on disks **will not be** accepted for grading.

Word processing typewriters, portable personal word processors and desktop publishers (collectively referred to as word processing machines) are typewriter-type machines that are dedicated to the function of word processing. They may contain features such as spell checkers, thesaurus, or spreadsheet templates. They are not (for purposes of this document) software programs for use on a general purpose computer.

Acceptable machines can display multiple lines or most of a page on a screen prior to printing. In addition to internal working memory, word processors often provide for external memory in the form of disks. In most cases, the internal memory is erased when the power cord is disconnected. While some of the earlier models have the display built in, newer models are offering separate monitors—but still are called "portable."

All models of manual and standard electric typewriters may be used to take the First-Year Law Students' Examination. In addition, the following models of word processing typewriters, word processors and desktop publishers may be used if they are found to be unaltered, and without memorized files other than standard word processing software. (Note: Underlined models have been recently discontinued, but may still be available for purchase at some stores: **Brother** (WP series, DP series, and PDP series), **Canon** (Starwriter series), **IBM LEXMARK** (Wheelwriter series), **SMC or Smith Corona** (SD series, WP series, PWP series), **Sharp** (PA series). Additionally, the Brother series of *Personal Electronic Notebooks* (the PN series) is acceptable provided no files are stored in the internal memory.

Machines from other manufacturers, as well as newer models of the machines from the manufacturers listed above, may be allowed if they are found to have no

more capability than found in the models listed and discussed in the general descriptions above. In general, this means the machines **must be dedicated word processors** and **not** general purpose computers with word processing software. If a machine other than those listed above is brought to the test center, it is imperative that the applicant also bring the instruction manual in the event the inspectors are not familiar with that machine.

Due to limited space, only those machines generally considered as portable will be permitted. One piece units are preferred. Machines with separate units will be accepted provided that the monitor can be positioned on top of, or directly behind the keyboard unit. This means that a monitor should be no larger than 14".

All typewriters, word processing typewriters, word processors, desktop publishers, disks and printers brought to the examination are subject to inspection prior to the beginning of the examination. Applicants must be familiar with the operation of their machines in advance of the examination, including but not limited to setting margins and printing of text.

Inspection is for the purpose of determining whether the typewriter, word processing typewriter, word processor or desktop publisher is acceptable for use during the examination. In every instance where a machine is found to be unacceptable, the owner will be required to provide an alternate machine that passes inspection or complete the examination in writing.

—Inspection of manual, standard electronic typewriters and word processing machines will be conducted from 2:00 p.m. - 4:00 p.m. on Monday, October 25, 2004 at the test centers.

Applicants planning to use word processing typewriters, word processors or desktop publishers **must** have their machines and all disks (1-2 separate disks that have been previously formatted) inspected.

Applicants who fail to have their typewriters or word processors inspected prior to the commencement of the examination will not be granted additional time to continue the typing of answers past the normal examination session termination time.

Following approval of a typewriter or word processing machine, a label will be affixed to the machine by staff. The label must be left on the machine for the duration of the examination and only machines with the approved label will be allowed into the examination test center.

If a word processing machine with internal memory is brought to the examination, it is critical that all files be erased from the internal memory prior to checking in at the examination test center. The directory will be checked for memorized files, and any machine having such files will be rejected. If the word processor you bring to the examination has a internal address book, calendar or similar features, it is imperative that all entries be erased prior to inspection.

If a word processing machine is brought to the examination and it is the applicant's intention to use the external disk function, **a minimum of one (1) and not more than two (2) floppy disks must be brought to the examination test center on the day of inspection.** The disks must be new (previously unused) and must be formatted (initialized) in advance. It is not sufficient to erase all files from a previously used disk since some word processors retain these files in case of accidental deletion. If for some reason a disk is not formatted at the time of inspection, the applicant will be required to format the disk without assistance from staff.

The disk directories will be checked, and if any pre-programmed files are found, the disks will **not** be permitted into the examination test center, even if they contain only additional features such as a thesaurus. Approved disks will be labeled and sealed in envelopes provided by staff. At the end of the morning session, the applicants using disks will be required to hand in the used disks to the proctors. The disks will be retained by the Committee of Bar Examiners and destroyed after the examination. The disks will not be returned to the applicant. Disks not used and that remain in the sealed envelopes will be returned to the applicants upon conclusion of the examination.

All answers must be printed on the paper provided. Typing of answers must be completed when time is called. If an applicant continues to type after time has been called, the applicant will be cited and may be

referred to the Committee under procedures established by Rule XII, of the *Rules*. **Printing of examination answers using approved word processors may now be completed after time is called under the procedures announced before the written portion of the examination.**

Each applicant will be allowed to use up to two outlets for the purpose of plugging in their machine. The extra outlet, if not needed to make the machine operable, may **not** be used for any other purpose, such as plugging in a lamp, clock or extra power supply. Applicants using machines requiring batteries, must bring a sufficient supply of charged batteries as the electrical outlets at the test centers will not be available for the purpose of charging or recharging batteries.

Applicants using word processing machines who saved their answers using the internal memory will be required to remain or return at the conclusion of the examination session for the purpose of erasing their answers from that session of the examination.

If an applicant's typewriter or word processing machine fails to operate properly for any reason, the applicant must be prepared to continue the examination using an alternate typewriter that has been inspected and approved or write the examination. The Committee does not assume responsibility for any power failure or failure of a typewriter, word processor or disk to operate properly.

In the event of a loss of power, applicants must be prepared to continue the examination by writing or using a typewriter with a battery back-up.

Approval of a specific typewriter or word processor for one examination does not constitute approval of the same machine for future examinations.

**ADDENDUM TO INSTRUCTIONS FOR APPLICATION TO TAKE
THE OCTOBER 2004 FIRST-YEAR LAW STUDENTS' EXAMINATION**

TEST CENTERS

Applicants must select the test center as well as the city in which they wish to take the examination.

Only those applicants with permanent disabilities who have previously been granted testing accommodations and who wish to request the exact same accommodations should select a testing accommodations test center (those with a code number starting with an "S"). Selection of a testing accommodations test center initiates the request for testing accommodations for this administration of the examination, but does not guarantee assignment to that test center. All other applicants with disabilities should select from the non-testing accommodations test centers listed below. If after filing the application form, applicants are granted accommodations, in most cases, they will be assigned to a testing accommodations test center in the general area of their first choice.
